DON'T LOOK BUT THEY'RE
DOING IT AGAIN—
COLORADO—2005 THEN AND
PICS TO COME

Purpose of St. Louis Corvette Club:

To enjoy the Corvette through association with other Corvette owners. To have fun on many levels through social events, road trips, car shows, charity events and competition as each person wishes. To actively promote and work for the advancement of St. Louis Corvette Club and its activities. To respect the differences and wishes of each STLCC club member.

President's Greeting:

A big "THANK YOU" goes out to all of those members who helped in the planning and execution of the Lynch Hummer / St. Louis Corvette Club / Pujols Family Foundation father/son/mother/daughter event. As Mike Dean said, "This is what Lynch Hummer was expecting from the relationship between the dealership and our club".

We must now focus our attention to our next major effort, the Garden Clean Up at the VA Medical Center, Jefferson Barracks Spinal Cord Unit on April 19. Volunteers are needed to plant flowers and plants, spread mulch and provide personal support to our Veterans. This will be our 4th year taking care of the garden and I know everyone who has been involved, from our membership to our Veterans, appreciates and enjoys our efforts.

Now that spring has arrived we can turn our attention to the open road. Just be sure your windshield wipers are in working order. And remember, water will not melt a Corvette so get out and enjoy.

Bill Dotson
President, St. Louis Corvette Club

St. Louis Corvette Club Meeting

March 11, 2008 – Sunset Lakes Banquet Center

The meeting was called to order at 7:00 p.m. by president Bill Dotson. The Pledge of Allegiance was recited. Bill welcomed everyone and introduced board members. All committee chairpersons were present as were National Corvette Museum ambassador Judy Dooley, NCCC governor Rich Luebcke, and club sponsor Mike Dean from Lynch Hummer. Members were reminded to sign the attendance sheet and purchase 50/50 tickets.

Guests

Guests Larry and Beth Burmeister were welcomed. The Burmeisters recently acquired a 2007 blue convertible. They also have a 1990 turquoise Indy Festival Corvette. Bill Dotson noted that invitations to our meetings have been extended via the club website to various individuals who have expressed a recent interest in learning more about our club.

Correspondence

Thank you notes from Rick Friedrich and Pat and Carl Cox were read. Rick thanked everyone for the support given during his hospitalization and continuing recovery following heart surgery. Pat and Carl thanked everyone for the various expressions of sympathy upon the recent death of Pat's father, Al Metivier.

Treasurer's Report

Jean Dupont made a motion to accept the treasurer's report as presented in the March newsletter. Jerry Fain provided a second to the motion and it was approved by the membership.

Secretary's Report

Ruth Howard made a motion to accept the minutes from the February 5, 2008 meeting as published in the March newsletter. Gary Murray provided a second to the motion and it was approved by the membership.

Membership Report

Angie Bradford reported that there are currently 70 members. March birthdays and anniversaries were acknowledged. Members were asked if anyone needed a club nametag but none were needed.

National Corvette Museum Ambassador's Report

Judy Dooley reported that she had not received recent information from the museum concerning purchase of family memberships at the individual member price. She apologized for not having this information to pass on to members. The deadline for ordering museum groundbreaking "hard hats" has passed. Judy said that some hats will be available in the museum store. She reminded members that \$10 raffle tickets are still available for the victory red '08 convertible to be given away at the museum on April 26.

National Council of Corvette Clubs Governor's Report

Rich Luebcke reminded everyone that the Governors' meeting is held quarterly at Westport in St. Louis. He also told everyone that NCCC offers college scholarships. The deadline for scholarship applications is May 1, 2008. Mike Yaeger of Mid America Motorworks is the main sponsor of NCCC's organization for youth under age 16 – Future Corvette Owners Association (FCOA). Yaeger donates membership cards and patches that are given to FCOA members for a one-time \$5 membership fee. Mike Yaeger is also trying to get legislation passed that would establish June 30 as a National Day of Recognition for the Corvette.

Rich plans to submit our newsletter and club website for NCCC award consideration. Upcoming NCCC conventions: 2008 (*June 21-27*) – Tulsa, Oklahoma; 2009 (*August 7-14*) – Colorado Springs, Colorado; 2010 – Florida.

Website Report

Jerry Craig will be putting information on the website for 2-way radios and walkie-talkies. Bill Dotson asked Jerry to check a few items for possible corrections.

Sponsor's Report

Mike Dean, sales manager from club sponsor Lynch Hummer, reported on the upcoming off road event to be held on Sunday, March 30 at Lynch's Chesterfield location. The event will benefit the Albert Pujols Foundation for Down syndrome children. 250 people are expected to attend the event including families helped by the foundation, car club members, and Lynch Hummer staff. Lynch will have ten Hummers in use on the off-road course. Mike stressed that he needs a good turnout of Corvette members and encouraged the Corvette Club to arrive en masse at approximately 10:15. The front lot of the dealership will be cleared for club parking. In the event of rain, Mike can park 40 cars in the shop. He also suggested that a grand exit of Corvettes could be planned for around 2 p.m.

Club members are needed to help with grilling, food serving, youth games and activities. Mike asked for someone from the club with a good digital camera and printing equipment to take photos of the children in one of the Corvettes that will be placed on the showroom floor. The photos will need to be processed immediately and given to the children. (Carl Ballinger volunteered to do photos with Rich and Theresa Luebcke and Jerry Craig.) The off-road driving experience will only be available to the children and their families. The event is scheduled for 11-3. Lunch will be served from 12-1.

Several organizations have generously donated items for the event including Dierbergs and Schnucks supermarkets, Ted Drewes,, McAllisters Deli, Anheuser Busch, and Gus' Pretzels. Charcoal will be needed. Jerry Craig offered to bring speakers and sound system. Some members of the media have been contacted and it is hoped that representatives will be able to attend. Area celebrities may also be in attendance. Mike said that the dealership is committed to making this an annual event. Mike will be holding a planning meeting on March 19th with Pujols Foundation representatives. Information from that meeting will be passed on to Ron Hagenow and he will post pertinent news on the website prior to the March 30th event.

Mike mentioned that the Lynch website has a "bleak" listing of available Corvettes as he recently sent nine cars to Florida. Lynch has taken possession of the Toyota/Cadillac store. The new Toyota building is scheduled to be done in early April. The Cadillac store will close and come to Chesterfield Valley within the next five years.

Off-Road Event Committee

Ruth Howard shared additional information about the Lynch/Pujols Foundation event. Anheuser Busch is donating 144 stuffed "Shamu" toys. Marty Dooley is donating a large number of Hummer and Corvette Hot Wheels. Ruth said she is preparing to make 130 goody bags for the children who will be attending. Other donations have included bags from Laclede Gas, a blanket and gift certificate from Panera Bread, and car towels from Mid America Motorworks. Mid America is also offering Corvette bears for \$5 each. Ruth asked members to help by donating money to be used for purchasing the bears. Krispy Kreme is making a donation. Mike Price offered to pick up donuts at the Bowles Avenue location on the morning of the event. Applebees restaurants are donating utensil packets and McDonald's is donating condiment packets. Tammy Walker will provide a popcorn machine, Joe's Crab Shack will provide crayon packets. Responses have not yet been received from Sam's Club, Pepsi, and Coke.

Ruth asked club members to provide bagged cookies for a children's Cake Walk. Please put 4 cookies in individual Ziploc bags. Cookies should not have nuts for the safety of children with peanut/nut allergies. Bring cookies on the day of the event. Face painting will also be available for the children and help will be needed with this activity. Ruth and Tammy said that they are trying to get the St. Louis County DARE Corvette to attend as well.

Bill Dotson encouraged members wanting to help in some capacity to contact Ruth Howard and/or Tammy Walker to sign up.

Award/Gift Presentation

Bill Dotson presented Mike Dean with a club 2007 Event Sponsorship Award and thanked Mike for his continued support. He also gifted Mike with a club cooler and pair of can koozies, belated Christmas gifts as well as a club hat.

Charity Committee Report

Jan Murray provided ballots with names of charities for support consideration. Ballots were distributed and members were asked to select one charity from those listed. Bill Dotson reminded members that even though one charity would be voted on, special club events could still be scheduled to benefit a select charity.

Finance Committee Report

Sara Gibson explained the projected budget work that she and fellow committee members Randy Howard and Charlie Miget prepared. A spreadsheet was presented which detailed the average of club revenue/expenses for the last three years. The analysis showed that 2007 expenses were approximately \$2,000 more than income for the same year. A projected budget for 2008 was presented. The projection was based on a total membership of 80 including 35 couples and 10 individuals.

Our first cruise will be on Saturday, March 29th. We will be travelling to Hermann, MO for the Hermannhof Festhalle at the Hermannhof Winery. **We will leave from the commuter lot off of Hwy 94/I-64 at 9:30am.** This is the lot we've used in the past so most should be familiar with it. Coming from Hwy 94, turn right at the light just past the entrance to I-64 East. **We will leave the lot at 10:00am.** The direction we will take to Hermann will be different than in past years. Exiting the lot, turn right on the Outer Rd then turn left on Hwy 94 North. Turn left onto I-64 West to I-70 West. Exit at Hwy B (exit 188). Turn left on Hwy B, then turn right on Hwy 94. Turn left on Hwy 19 crossing the bridge into Herman. Turn left on First St and proceed into town. There is a parking lot across the street from the Hermannhof Winery but we will probably not be able to park together because of the popularity of the event. Additional parking is throughout the town. It will be a perfect way to use your club coolers to bring home some sausage and wine. Event is sponsored by Jeff and Patty Craig. If you need anything further please email Patty at pattysandberg@yahoo.com. **Remember to bring your walk-about**s so we can keep in touch with each other.

The following day, March 30th, is the Albert Pujols Foundation Car Rally at our club sponsor, Lynch Hummer. This is going to be a very big and exciting event so we need everyone's participation. We plan to meet at the bank near Lynch (sorry I can't remember the name right now). Lynch's address is 17371 North Outer Forty Rd, Chesterfield, MO. When you take the exit at Boone's Crossing turn right and then at the "T" intersection, turn right again rather than left to Lynch. The bank is on that corner. That will make it easier to line up for our entrance to Lynch. **You need to be at the bank parking lot at 9:30am.** There are going to be several hundred children/parents there for this event and our duties will be to show our cars and help with the many events planned. If you were at the meeting I won't go over the details again but there will be a lot going on. **We still need assistance in several areas as follows: food servers, cake walk, coloring room and popcorn helpers.** Myself and about 4 others have already volunteered to do the cooking so if you were one of those you might want to bring cooking utensils just in case Mike doesn't have enough. We will be doing face painting and Karen Price and Tammy from Sunset Lakes have volunteered to do that. **If you are able to volunteer for any of these areas, please contact Ruth Howard at rhoward15@charter.net.** Also, we need cookies for the cake walk. **If you want to make cookies, or buy them, it would help greatly if you could put 4 cookies in a zip lock bag so that part would be done for the cake walk.** Some children may have allergies so please do not use anything that uses nuts in the cookies. If you need anything further information please contact Ruth. And a special thanks goes to Mike Dean for initiating this event and to Ruth Howard and Tammy Walker to their help getting all the details worked out and soliciting the many donations to support this event.

One long range event that we need to finalize is our trip to the Museum to help Jerry Craig celebrate the delivery of his 2008 coupe. There has already been several emails sent concerning this. **If you are planning on attending and have not contacted Marty Dooley at 314-894-0303 or jmdooley6493@aol.com, you must do so by Monday, March 17th.** The rooms that were blocked out for us are all taken but the hotel says they will honor the special rate if you call then in the next several days. Again this is the Super 8 Motel and their number is 270-781-4900. At this time we have 30 cars going on this event.

Several other upcoming or potential events are as follows:

Meet with the 63-67 Vettes.com folks when they come through St. Louis on April 7-8

Possible Gateway Grizzlies' Game in June

VA Hospital Cleanup on April 19

Sunday Brunch to Diamond Mineral Springs on April 20

Armed Forces Day Parade in St. Peters May 17

Vettes on the Rockies July 31-Aug 3

Please let me know if you need any further information.
