### Summer Fun

From the NCCC Convention in Tinley Park (Chicago), Illinois to Drive Your Corvette To Work Day (especially for those who don't work), to proudly driving Corvettes in the Webster Groves Fourth of July Parade, our members are having a summer to remember!

## President's Column

I just got a call from Amy Z. She is putting this month's newsletter together and needs some words for the president's column. How surprised I was to see what day of the month it was already. It has been really hot and a lot going on for us. I just forgot to put something together for this month's newsletter. Now I know what some friends and family were talking when they said they don't have enough time, now that they are retired.

Since our last newsletter, we have had a few things going on. We had a group get together for the **Drive Your Corvette to Work Day** or **Meet for Breakfast Day**. This group had some retirees, some teachers off work, and a few that just took off. Some of these took off for a ride and ended up at a local winery. One couple later mentioned that they started out for breakfast with us, but did not get home till about 7:00 that evening. Long day!

Then there was a large group that met for the monthly **Fritz's run**. Then we had another large crowd show for the **Webster Groves 4th of July parade**. A great job by **Michelle Paillou** and **Dave Luther** for making all of the arrangements and setting up all the Corvettes for this event. It really worked out well.

Coming up, we have a couple of events: the **Mystery Run** on 7/23 and the **Sybill's Run** on 7/24 and then the **Tunica Run** and **Labor Day weekend at the NCM**. So join your club members on as many of these events as you can. It's always a good time when you get to drive these Corvettes and enjoy times with your fellow members.

Drive carefully,

**Rich Luebcke** thanked **Jeff and Jerry Craig, Marty and Judy Dooley, and Ron and Mary Ann Hagenow** for helping him and **Theresa** with the Convention Car Show on Sunday, June 19 at Tinley

Park, Illinois. Over 300 cars were positioned in the hotel parking lot. Participants paraded from the hotel into downtown Tinley Park where they were then staged in the train depot lot within about 40 minutes! Rich said more than 600 registered for the weeklong convention and additional day passes were issued. Each day of the convention offered an opportunity for participants to try their hand at different road and racing events as well as special dining events.

The next Governors' meeting will be held in St. Louis on Sunday, September 11, 2011. Friday, July 8 will be National Collector Car Appreciation Day.

**Mike Price** said that over 20 cars participated in the Elco Car Show on June 18. Awards went to **Craig Cobler, Dave Davidson, Judy Dooley, and Elise Akins**. **Michelle Paillou** said that 36 people in 28 cars participated in the July 4 Webster Groves parade. This number included our club members as well as members from **OCC, Boone Trail Corvette Club** and two independent drivers including tonight's guest **Kumar Rao**. Michelle thanked **Dave Luther** for the help he gave with the event planning. It was noted that there were many children in the parade crowd and that perhaps we could plan candy distribution during next year's parade. **Marty Dooley** reminded members to send newsletter name suggestions to **Amy Zlatic**. Amy will share suggestions in the newsletter and these will be discussed at the August meeting. The current name of the newsletter is "Gateway News."

Marty also reminded members to check both the club newsletter and website for up-to-date information and notices. Please let the board know if you would like to sponsor an event. Remember – we like to drive somewhere to eat!

**Rich Luebcke** reminded members that we had previously voted to sell our NCCC sanctions. **The Great River Corvette Club** purchased some of these sanctions and these will be used at the autocross on July 15 and 16. For the Route 66 autocross at the GM plant, there will be 12 events held during the 2 days. 5 of the events are our club events.

Marty said that he received a letter recently from Gold Star Mother **Chris Andrews** who lost a daughter in the war. Efforts are being made to establish a memorial in front of the St. Louis Soldiers' memorial and donations for this are needed. Ms. Andrews may come to the August club meeting to discuss this project.

## Message from Membership by Membership Chair Ron Hagenow

Here is some information for those of you who were not at the July meeting.

First off, congratulations are in order. **Larry and Elise Akins** are the proud new owners of a 2011 Crystal Red Metallic Grand Sport Convertible. Looks like the club is still trying to keep Elco in business while stimulating the economy. And if Larry is real nice, Elise may even let him drive "her baby" sometime.

Here are some upcoming events:

July 23 is **Charlie and Marty's Mystery Run**. If you have not already signed up for this event, please email Charlie at [cjsm1967@yahoo.com](mailto:cjsm1967@yahoo.com) or Marty at [jmdooley6493@aol.com](mailto:jmdooley6493@aol.com) ASAP. They need to let the restaurant know the number attending. Be at the South County Home Depot with a full tank of gas. They leave at 9 am. July 24 is **Ruth and Randy's run to Sybill's** in St. James. There were only 10 people who signed up at the meeting so if you would like to go, please let Ruth know before July 17. Her email is [rhoward15@charter.net](mailto:rhoward15@charter.net). This group is leaving the Six Flag McDonalds off of I-44 at 9:30 am. July 31 is our normal **Fritz's** run. Show up around 6 pm. August 14 I am sponsoring a run to **Gallagher's** in Waterloo for their award-winning family-style fried chicken. I've already sent out something on this but if you want to go, either email me back or sign up at the next meeting. August 13-14 is the **Route 66/St. Louis Corvette Club Autocross** at the GM plant in Wentzville. Route 66 is using some of our NCCC sanctions for this event. We do not have to work this event but if you haven't attended one before it is a lot of fun. And I can highly endorse a ride-along with **Jeff Craig!**

There are a lot more events being planned through the rest of the year so stay tuned to either the newsletter or the club website.

Finally, as I looked through the roster I noted several names of folks I don't recall seeing at a meeting or event. We are all busy these days and there are a lot of things competing for your time besides the club. Heaven knows we haven't been able to participate as much as we would like. But if you

have a chance, come to a meeting or event, even if only once. I have heard more than one person describe our club as an "extended family." And that is what makes our club so great!

## Gallagher's History

The original building dates from the 1870s and was restored in 2003 by John Gallagher and his wife Susie. You can see the original railings taken from the 1908 McKinley Bridge, when it was restored. These are now featured on the dining balcony over the entrance and in the first floor bar area.

There are six distinct dining areas in Gallagher's and each is unique. The owners gathered elegant pocket doors from the Chase Park-Plaza Hotel in St. Louis, when it was restored, as well as from other World's Fair Era buildings now being renovated in the Shaw's Garden area. These doors are now set on their sides and are being used as wainscot on first floor and to build booths.

One of the things you see immediately upon entering the restaurant is the more than century-old bar, which is original to the building. However, the owners have completely restored the old quarter-sawn oak wood, and repaired the broken stained glass to its original glory. Similarly, in the third-floor dining rooms, you can see a unique private bar that dates to the 1920s.

The old Bee Hive Bowl in Waterloo provided not only the hardwood bowling lanes which the owners turned into chic dining tables, but the special cookers were rescued from the kitchen there that was famous for its fried chicken.

## Menu
