President's Message

Hello STLCC Members!

I hope this finds you staying cool in the summer heat!

This month we will meet at Freestyle Brewing Company in Eureka at 6 p.m. Please see email with details as Mark is going to celebrate his son's birthday that evening. Happy Birthday to Steve! A big thank you to Steve Willis for helping facilitate this.

The 20th Anniversary celebration continues with more planned events including our upcoming 70s themed picnic this September. The calendar updates keeps our VP, Gary Duke, on his toes, so check it frequently. We will have updates for our trip to Eureka Springs.

The numerous members who volunteered their time to plan and also participate in these activities are amazing and help our club continue to have a large waiting list to join. How awesome is that.

This month begins our renewal period. Please review the email that was previously sent out with all of the participation requirements to make sure that you are current or have plans to attend events to continue your membership for 2025. If you have any questions or concerns, please feel free to contact a board member for direction in accomplishing them. There will be a roster for you to review to make sure that we have the most current information on your vehicles and contact information. We will also be offering an option to give us an emergency contact if ever needed.

We will also begin to sell \$10 raffle tickets for a chance to win the banner that has hung at the Museum this past year. This would be an awesome addition to your garage or basement. This will offset the cost of the banner for next year.

Please remember to bring your toiletry items for our continued support of our veterans that John Midkiff is heading up.

We have a lot of members who have had surgery, will have surgery, or have experienced the loss of loved ones. Please keep everyone in your prayers.

Hope to see you next Tuesday; until then, save the wave!

Best Legs
Submitted by ?

In keeping with the 70s theme for this year's picnic, what happened in 1972? Well, the Space Shuttle Program was officially launched, the Dow Jones Industrial Average went

over 1000 for the first time and the Watergate Scandal was unfolding. But do you remember hot pants? I'm sure the guys all do. This picture is of a current club member who in 1972 won a best legs contest in college. Can you guess who it is? The mystery will be solved at the club picnic so we hope you are able to attend.

Where the heck are we going? Jeff wouldn't tell us!

Stop 1: Community Park in Jefferson City

We stopped here for our brunch. Nice park!

Stop 2: The Capitol in Jefferson City

Jeff took us a short distance to the Capitol for a prearranged tour! If you were on the spring trip, this is the second Capitol tour in 4 months! I suppose I am biased, but the Missouri Capitol is a nicer building. Keep reading our newsletter below to see the Louisiana Capitol building.

In 1936, Thomas Hart Benton was commissioned by Missouri to paint a mural in the Missouri State Capitol Building, representing the social history of Missouri. It took Benton just six months to complete the incredible 40-foot mural. It is located in the House Lounge.

Stop 3: Central Dairy

Jeff thought it would be a good idea to have ice cream for lunch. There were no complaints!

Stop 4: Balducci Winery

Time for a midafternoon lunch and your favorite adult beverage!

Day 7, Tuesday, March 19

After breakfast at the hotel, we departed Lafayette and drove to Baton Rouge where our first stop was the Louisiana New State Capitol Building.

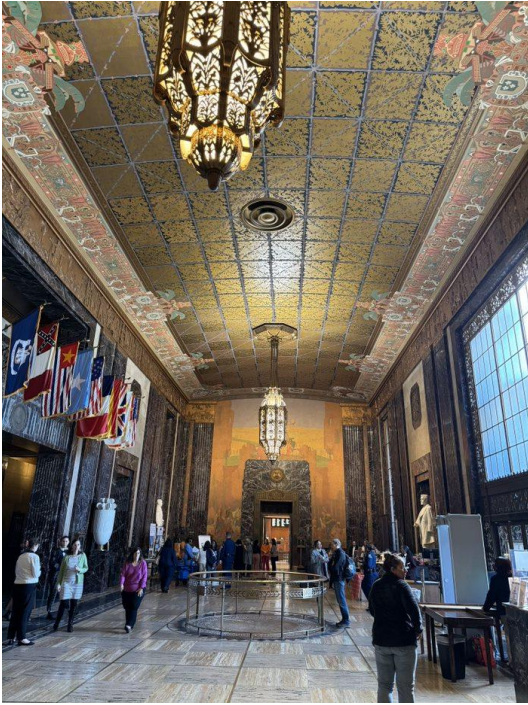

Huey Long, often referred to as “The Kingfish,” was a highly influential and controversial political figure in Louisiana. When Huey Long was elected governor of Louisiana in 1928, he proposed the construction of a new state capitol building in Baton Rouge. He envisioned a grand structure that would symbolize the progress and modernization of Louisiana. [The new capitol was completed in 1931 and is the tallest capitol building in the United States¹. Long’s influence was so profound that the building is often considered his monument².](#)

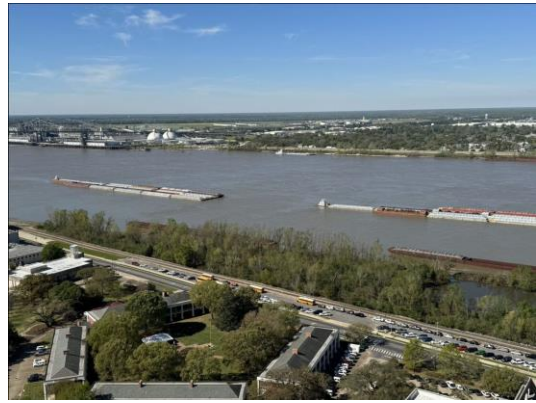

Huey Long’s life came to a tragic end in the very building he helped create. [On September 8, 1935, Long was at the Louisiana State Capitol to pass a redistricting bill aimed at removing a political opponent, Judge Benjamin Henry Pavy³. After the bill passed, Long was shot by Dr. Carl Weiss, Pavy’s son-in-law, in the main hall of the capitol⁴. Long’s bodyguards immediately shot and killed Weiss³. Long was rushed to a nearby hospital but succumbed to his injuries about 31 hours later³.](#)

From there we went to the Old Capitol Building

After lunch on our own, some of us visited the USS Kidd and others visited the LSU Museum of Art

Dinner was at Cicelia's Creole Bistro, one of our favorites on the trip.

Day 8, Wednesday, March 20

When we went to the parking lot to pick up our cars, Barry discovered his car had been "booted" not only on one tire, but on both the front and back tires. It all turned out ok, but see Barry for more information.

Our first stop was Oak Alley Plantation which was a sugar plantation.

After lunch, we visited Laura Plantation.

Thank you for your help in the past. If you turn in sleepers, please put a note inside the bag with your name and whether or not you want a tax receipt. Example: Mary Smith, no. We will collect these at the August, September, and October STLCC meetings, although baby items are accepted year round!

By Ron Hagenow

History Committee: Ron Hagenow, Marty Dooley, and Mike Price

Welcome to the St. Louis Corvette Club's 20th Anniversary!

August 2024

.

Continuing from the March newsletter article, Judy Giovanoni and Dana and Diana Griggs have been with the club since 2009, Michelle Finn and Randy Rickerman have been with the club since 2010, Tom and Sherri Marlo joined in 2011 and Mike and Laurie Grubb joined in 2012. There were other members who joined throughout those years but these are the members who are still in the club. For some reason we had a lot of members who joined in 2013 and they are still with us. Those who joined then are Gary and Erin Duke, Steve and Dawn Kirby, Mike Kunst, Marc Portman and Ray and Pam Queen.

In the June newsletter article, we reviewed all the events for the first 5 years. Rather than go through all those boring details, here are some highlights of what the club has done for the years 2012 through 2020:

Private tour of Jim Weddle's car collection. Jim is the retired managing partner of Edward Jones.

Black Hills Corvette in Spearfish, CO

Toured Bob's Gasoline Alley in Cuba, MO

Sugar Creek Winery Run in memory of Armynta Craig

Several ELCO car shows

Several dinners at Villa Antonio Winery

Tail of the Dragon

Mystery Run to Trail of the Tears State Park

Corvette Adventures Weekend in Wisconsin Dells

Mystery Run to Warm Springs Ranch to see the Clydesdales

Excel Bottling Tour in Breese, IL

Several ALS Walks in memory of Sandy Kirby

Christmas in July on Route 66 and overnight stay at the Munger Moss Motel

Missouri Veterans Memorial Run in Perryville, MO

Gateway INDY race where we got to drive the drivers around the track

A grand tour of the Utah national parks courtesy of master planner Barb Payne
A mystery run to Bollinger Mill
Point Labaddie Winery Run

Maybe some of these prior events will inspire you to recreate the event or try something similar.

Now for some pictures of prior August events:
